

Santa Gertrudis Academy High School P-TECH Professional Development Plan

The professional development plan for the P-TECH Health Science Pathways includes training for the Santa Gertrudis Academy High School instructors in dual credit and continuing education training. The high school instructor also participates in professional development required by the campus and Santa Gertrudis Independent School District.

The high school and Del Mar College Instructors will meet periodically to review the curriculum and make changes as needed. The Del Mar College instructor participates in the professional development required by the college.

To ensure that P-Tech staff have ample time to collaborate and plan throughout the school year, periodic meetings have been planned to assess student needs and progress.

In addition, dual credit faculty will be invited and encouraged to attend Professional Development training by Del Mar College. Del Mar College implemented Professional Development will focus on meeting the needs of dually enrolled high school students to the program. Upcoming dates and times to be announced.
